Denver Gold Show Zurich online this year

Denver Gold Show – Zurich

This year’s Denver Gold Show in Zurich, the European God Forum, has been cancelled, and replaced by an online “World Gold Forum”

Presenting companies numbers are around 30% down on last year.

Presenting companies numbers are around 30% down on last year.

.

It’s an interesting experiment, to run an entire conference online. My personal opinion is it will lack focus and engagement, there’s no substitute for meeting in person.

.

It will be interesting to see how it goes,and whether the technology holds up!
