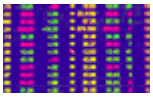
Small mining companies reaching new all time lows



Market news

With the current volatility, (or should that be total meltdown?) in the markets, some junior mining companies are reaching new all time lows.

Amongst those we follow, FAR Resources at 2c, Cascadero at 1c, Komet Resources, 5c, Tinka 9c, and Avalon, once a billion dollar company, at 2.5c.

Market news

With the current volatility, (or should that be total meltdown?) in the markets, some junior mining companies are reaching new all time lows.

Amongst those we follow, FAR Resources at 2 cents, Cascadero at 1c, Komet Resources, 5c, Tinka 9c, and Avalon, once a billion dollar company, at 2.5c.
