Thor Mining issue their quarterly report and news update

Thor Mining {AIM: THR}

Issued their quarterly update.

Mr Mick Billing, Executive Chairman of Thor Mining, said “Progress on all fronts while our cash position remains robust. It is very pleasing to report that we have sufficient funds to carry out all planned activities well into 2019.”

“In particular the recent announcement of the Australian government research grant is a tremendous endorsement of the approach taken by Thor and ECR in this exciting project”
