Tyranna and Alliance Resources plan maiden gold resource statement at Wilcherry in H1 2018

Tyranna Resources {ASX: TYX}

Tyranna Resources (28.91%) and Alliance Resources {ASX: AGS} (71.09%) plan an maiden resource estimate at Weednana in H1 2018.

Alliance has improved its understanding of the gold skarn mineralisation model at Weednanna with the recognition of discrete high grade gold shoots and the location of gold shoots in both Paleo-Proterozoic meta-sediments and Archaean granite-gneiss.

Tyranna Resources (28.91%) and Alliance Resources {ASX:
