Onecoin – Samoan church leaders promoted Onecoin to congregation members

Crypto news – Onecoin

Two churches in Samoa have been charged with promoting the Onecoin alleged ponzi scheme to members of their congregation, and utilising the New Zealand financial system to process payments made to them.

The sum of at least $2,300.000 was given by parishioners of the church in Samoa, Australia,and New Zealand, some of which was processed through the church's accounts.
