

Avalon Rare Metals forthcoming events

Avalon Rare Metals {TSX: AVL} have announced a series of conference and investor presentation dates in November.

CEO Don Bubar will be presenting in Chicago and Napa in the USA and London, UK during his tour.

Avalon Rare Metals announce conference participation and investor presentation dates during November 2015.

CEO Don Bubar will be presenting at conferences in Chicago, then Napa in California, before finishing his tour in the United Kingdom, at the London Tin Seminar, and the City Investors Circle investor forum.

The presentations will focus on Avalon's **Separation Rapids Lithium Project** and also their East Kemptville Tin-Indium Project.
