The Company intends to use the net proceeds from the Private Placement to advance its mineral exploration and development projects and for general corporate purposes. The flow through gross proceeds component received from the sale to subscribers of the Charity Flow Through Shares and Flow Through Shares will be used to incur “Canadian exploration expenses” as defined in subsection 66.1(6) of the *Income Tax Act* (Canada) (the “**Tax Act**”) on the Company’s properties in the Yukon Territory, and renounced to such subscribers effective not later than December 31, 2022. Certain insiders of the Company are expected to participate in the Private Placement.
