Management comments

"We are thrilled to be recognized by the TSX Venture Exchange as the second ranked performing company in the Mining sector.
During the course of 2020, Cabral Gold was able to deliver significant market performance, resulting in strong returns to our shareholders.
This strong performance was backed by real progress at our Cuiú Cuiú gold district in Brazil as we continue to demonstrate the high-grade potential of the district. In 2021, we look forward to confirming Cuiú Cuiú as a world-class gold district, and anticipate a steady stream of drill results on some of the 43 targets that exist outside our known gold deposits, as we continue to leverage the excellent platform provided to us by the TSX".
Alan Carter, Cabral Gold President and CEO
