Calidus Resources Maiden Indicated Resource at Bulletin underpins production growth strategy

Strong result positions Bulletin to be a key Warrawoona feed source later this year, helping to grow production while leveraging existing infrastructure

Calidus Resources Limited (Calidus) (ASX:CAI) is pleased to announce an updated *Mineral Resource estimate* for the Bulletin deposit of 784,000t at 4.0g/t Au for 100,000oz.

Importantly, this includes a maiden Indicated Resource of 429,000t at 4.3g/t Au for 59,000oz.

Additionally, a campaign of diamond drilling has recently been completed, with comprehensive logging data expected early

March.

This campaign, designed to collect geotechnical and structural data, is to expedite declaration of Ore Reserves for the Bulletin deposit and to validate the current geological model to aid in future exploration efforts.

HIGHLIGHTS

- Maiden Indicated Mineral Resource at Bulletin is 429kt @ 4.3g/t Au for 59,000oz
- Updated Bulletin Mineral Resource is 784kt @ 4.0g/t Au for 100,000oz
- Recently-completed diamond drilling campaign to collect geotechnical data and structural data for future extensional targeting work returned:
 - Drill hole 24BTDD001 intersected visible gold at 84.33m depth
 - Drill hole 24TDD002 intersected visible gold at 67.64m depth
- **Maiden Ore Reserve at Bulletin is imminent**
- Bulletin is a priority to commence mining in H2 CY2024 as it has the potential to deliver a significant step-change in Calidus' production profile at Warrawoona.

Calidus Managing Director Dave Reeves said:

"This high-grade maiden Indicated Resource at Bulletin is significant because it paves the way for substantial

production growth at Warrawoona.

“Bulletin highlights the benefits of our strategy to incorporate high-grade satellite deposits in the East Pilbara into the Warrawoona mill.

“This approach stands to deliver significant growth in production and mine life while leveraging our existing processing infrastructure.

“When mining is finished at the Blue Bar satellite deposit, we plan to move mining operations to Bulletin, which is located on granted Mining Leases.

“This will enable us to capitalise on its high-grade, low costs and amenability to a simple open-pit with minimal upfront capital requirement.

“We will also continue advancing our own 100% owned Nullagine prospects with the aim of bringing these into the Warrawoona production schedule.

“We remain on track to deliver updated guidance to the market later this month post the declaration of a maiden Ore Reserve at Bulletin”.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
