Calidus Resources Pours First Gold at Warrawoona

Start of production and cashflow provides platform for next round of growth

Calidus Resources Limited (ASX:CAI) (Calidus) is pleased to announce that it has poured the first gold at its 100 per cent owned Warrawoona Gold Project located in the Pilbara of Western Australia from the commissioning of the gravity circuit.

The project has now entered the ramp-up phase, with the elution circuit currently

commissioning, paving the way for the first bar sourced from the leach circuit to be poured next week.

Calidus Resources management comments

“Pouring our first gold on time and budget is the culmination of an incredible effort by all employees and contractors involved at Warrawoona.

“With production underway and revenue being generated, we have begun to lay the foundations for ongoing growth.

“Cashflow from Warrawoona will provide opportunities to increase production via the development of our Blue Spec deposit and help fund our highly promising gold and lithium exploration.”
