Canuc Provides Update for IoT Strategic Partnership Agreement

Canuc Resources Corporation (“Canuc” or the “Company”) (TSX-V: CDA) is pleased to provide an update on the previously announced Partnership Agreement with an Internet of Things (IoT) service provider firm. The Partnership Agreement is structured for Canuc to become a Strategic Partner to the IoT Firm with the ability to sell and promote spectrum network in key jurisdictions throughout North America.

The Partnership Agreement was signed with Ioticity Networks Inc (“Ioticity”) (www.ioticity.com). Ioticity is an IoT Firm with Industrial IoT solutions designed to service Oil & Gas/Mining and other industries.

Under the terms of the Partnership Agreement, Canuc is provided exclusivity for oil & gas and mining business applications in the Provinces of Alberta and Saskatchewan and in the State of Texas, USA. Canuc will receive a 20% gross revenue share from Ioticity for all sales brought forward and Ioticity will be responsible for providing equipment, labor and warranty for sales.

Canuc is currently in talks with oil & gas production and service companies, and with mining companies that have operations in western Canada. Canuc is expecting to bring new clients to Ioticity within the first quarter of 2020.
