We are initiating coverage of **Irving Resources {CSE: IRV}**, a Canadian Securities Exchange gold exploration and development

company with projects in Japan.

Irving Resources Inc. (Irving) is a Canadian-based mineral exploration company with interests in projects in Japan and Africa.

Irving incorporated a wholly-owned subsidiary in Japan named, Irving Resources Japan GK in May 2016, which enables Irving to acquire and hold exploration and mining projects in Japan.

Irving holds a Project Venture Agreement (PVA) with the Japan Oil, Gas and Metals National Corporation (JOGMEC) for the joint exploration programs in the Republic of Malawi.
