City Investors Circle Market Review April 2022

The review covers the latest news from the mining and metals markets.

Gold is under pressure due to the strong dollar, as markets await the first of a few half point interest rate rises, which would be negative for gold if they happen, and they might not of course.

US President Biden seems happy to let the markets drift, whereas Trump was focused on driving them forwards.

Companies commented on include, **Calidus Resources**, **Gold Road Resources**, **Karora Resources**, and **Pirra Lithium**.

There is a full update on metal prices, where most are drifting (US dollar rising) but some, like zinc are still rising.

The market indices are having a tough time in the US, the UK less so, and in Australia the markets are rising!

Crypto prices are falling across the board.
