City Investors Circle Market Review Aug 2021

Jackson Hole gave gold and US equities a boost, as the

tapering can was kicked down the road again.

The Review focuses on Jackson hole and the frustration of once again delaying this decision, causing uncertainty for investors. The one good thing was the confirmation that tapering and interest rate increases are two separate unrelated events.

Companies featured in the Review include, **Colonial Coal, Neometals, Banyan Gold, Fiore Gold, Ascot Resources,** and **Karora Resources.**

Colonial Coal is looking even more attractive to a potential bidder now that the price of coking coal is soaring in China.

Fiore Gold and **Wesdome Gold** both reported good financial results for the recent quarter.

The Review included all the market data for the precious and industrial metal sectors, and also **crypto** prices for the major coins.
