Market Review March 2025

The City Investors Circle Market Review for March 2025 focuses on the record gold price and those watchlist companies whose share price is rising fast as a result.

The Tier 1 Watchlist of ten producing gold mining companies had ten risers and no fallers in March, as the record high **gold** price drove up their share prices.

The average gain of all ten stocks was 20%, with **Catalyst Metals** leading the charge gaining 40% during the month, followed by **Orla Mining**, and **Ora Banda Mining**.

The highlighted company is **Gold Road Resources**.

Comments were made about **Catalyst Metals**, **Capricorn Metals**, and **West Lake Gold Mines**.

--

The main focus is on the price of gold and how finally the share prices of mining companies is responding to the higher profits being generated by the producers.

There was also a brief mention of PDAC 2025

City Investors Circle Market Review February 2025

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
