City Investors Circle Monthly Review published

City Investors Circle

Published their Monthly Market review for February 2021.

Topics included why is gold falling in price? Which ‘green metals’ are soaring? Portfolio collateral damage, Copper, cobalt, and lithium.

City Investors Circle Monthly Market review for February 2021.

February was a tough month for gold bugs here at City Investors Circle, with rising US Treasury bond rates causing the yellow metal to fall.

Topics covered included:

- Why is gold falling in price?
- Which ‘green metals’ are soaring?
- Portfolio collateral damage.
- A few stocks that rose (and it was a few!)
- The many that fell, including solid producers in tier 1 jurisdictions
- Copper, cobalt, and lithium.

If you wish to subscribe to our free monthly newsletter covering popular market topics, companies on our watchlist, and metals prices, please email andrew@city-investors-circle.com

=======

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com for information.
