City Investors Circle Tier 4 Watchlist Changes

City Investors Circle

Tier 4 Watchlist Changes include **Canuc Resources, Lefroy Exploration, and Pacgold,** who all may progress quickly as they have large exploration targets in prolific exploration belts, but may need to finance in a tricky market first.

This tier is for very early stage exploration companies who have interesting projects but heavy dilution is possible in negative markets for cash raising.

Our new Tier 4 watchlist will initially consist of seven companies;

- Canuc Resources
- BMG Resources
- Lefroy Exploration
- Nimy Resources
- Pacgold
- Rokmaster
- Siren Gold

City Investors Circle is based in the financial district in the City

of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.
