City Investors Circle Watchlists

As we approach the end of the year, it's an ideal time to review not only one's portfolio, but also the watchlists on this site.

I'm looking for vibrant companies moving projects forward, preferably well funded, in safe jurisdictions. One or two have not made the cut and will be removed or downgraded.

City Investors Circle Watchlist Adjustments

As we approach the end of the year, it's an ideal time to

review not only one's portfolio, but also the watchlists on this site.

I'm looking for vibrant companies moving projects forward, preferably well funded, in safe jurisdictions. One or two have not made the cut and will be removed or downgraded.

So far I have sold most of my Minera Alamos, and also sold **Argosy Minerals**, both in my personal portfolio.

I am removing **Minera Alamos** from the top tier of companies we follow, and placing them in the second tier for now. They are still in production, and they may be promoted again once either production increases or the Cerro de Coro mine is permitted and construction commences.

G Mining Ventures will go into the top tier to replace Minera. They are fully funded, construction is on target and budget, and they will be in production in around 7 – 8 months in Brazil, a tier 1 jurisdiction.

I am also adding **Calibre Mining *** as they have followed their purchase of **Fiore Gold** with another of my stocks, **Marathon Gold**. This diversifies them significantly from sanctioned Nicaragua, as most of the future production will be in North America.

** N.B. This has yet to close and there could be an alternate bid, so we have to be aware of that.*

In tier 2 both **Lithium Power** and **Marathon Gold** are being removed, both having recently been acquired.

Moving down a tier are **Boab Minerals**, **Canuc Resources**, **Rockmaster**, and **Westhaven Gold**.

ASX listed **Barton Gold** is moving up, and **West Red Lake Gold Mines**, **South Star Battery Metals**, and **Nevada King** are added.

I am adding **Delta Resources** to tier 3.

I think these changes will give the watchlists a fresher look, and the incoming companies should provide plenty of newsflow in 2024.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting

companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
