Colonial Coal featured by John Kaiser

Colonial Coal {TSX.V: CAD}

Colonial has been selected to be placed on John kaiser's watchlist after he became aware or the potential for corporate activity for premium coking coal deposits in BC like CAD's Hueguenot and Flatbed.

The proximity of the deposits to properties owned by Tech and Anglo suggest they may take an interest, according to John. To hear the broadcast please click here

Map of the Peace River Coalfield, Flatbed is licence 3, and Huegenot licence 4

Colonial Coal {TSX.V: CAD}

Colonial has been selected to be placed on John kaiser's watchlist after he became aware or the potential for corporate activity for premium coking coal deposits in BC like CAD's Hueguenot and Flatbed.

The proximity of the deposits to properties owned by Tech and Anglo suggest they may take an interest, according to John.

See te chart above for a map of the pEace River coalfields, and CAD’s properties.
