

# Colonial Coal – New research note by Hallgarten and Co.

[Colonial Coal {TSX.V: CAD}](#)

Respected independent mining research company **Hallgarten and Co.** have published a new report on Colonial Coal, covering the latest news from the company, and the appointment of the new and very experienced company advisor, David Fawcett.

The report also highlights the recent Riversdale coking coal deal, allowing some valuation assumptions to be made regarding CAD's assets.
