

Colonial Coal strategic investor Rosseau Asset Management Ltd. continues to buy in the market

Colonial Coal {TSX.V: CAD}

Strategic investor Rosseau Asset Management Ltd. continue to add to their above 10% stake, with recent purchases of 60,000 and 33,500 shares in the market.

Comment

Good to see Rosseau continuing to add to their already substantial position, and interesting to note they are doing so at around 30c, but not above it.

It will be interesting to watch if they continue to purchase, and note if they go above 30c or not.
