Metals	Tin, copper
Market cap	C\$22.4 m @ 16c
Location	Cornwall, United Kingdom

Comment

Cornish Metals are getting all their ducks in a row.

First the announcement, finally, of an imminent AIM listing, then appointing leading London mining broker SP Angel, and now this note conversion of a sizeable loan note into a royalty, by supportive Osisko Gold Royalties.

After a long wait all the buses came along at once, and

Cornish Metals look set for a bright future, a great result for the UK, and an unemployment blackspot.

Cornish Metals Announces Agreement in Principle to Convert Amounts Owing Under Its 2018 Note Financing Into a Royalty

VANCOUVER, British Columbia, Jan. 18, 2021 (GLOBE NEWSWIRE) – Cornish Metals Inc. (TSX-V: CUSN) ("Cornish Metals" or the "Company") is pleased to announce that, subject to certain conditions, one being a successful listing on London's AIM exchange (the "AIM"), it has reached an agreement with Osisko Gold Royalties Ltd (OR:TSX & NYSE) ("Osisko") to convert the outstanding amount of C\$7.17 million under the 2018 note financing (the "Note", see news release dated January 29, 2018) into a royalty.

Upon listing on AIM the Note will convert into a 1.5% Net Smelter Return ("NSR") royalty on the South Crofty Tin Project and a 0.5% NSR royalty on any other mineral rights held by Cornish Metals in Cornwall that do not form part of the South Crofty Tin Project.

"This transaction clears the path forward for our company with a much cleaner balance sheet as we

embark on our UK listing. We thank our partner, Osisko, for their continued support and cooperation."

Richard Williams, CEO of Cornish Metals

ON BEHALF OF THE BOARD OF DIRECTORS

"Richard D. Williams"
Richard D. Williams, P.Geo

Caution regarding forward looking statements

This news release contains "forward-looking statements", including but not limited to, statements with respect to the Admission to the AIM market.

Forward-looking statements, while based on management's best estimates and assumptions at the time such statements are made, are subject to risks and uncertainties that may cause actual results to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: risks related to receipt of regulatory approvals, risks related to general economic and market conditions; risks related to the availability of financing;

the timing and content of upcoming work programs; actual results of proposed exploration activities; possible variations in Mineral Resources or grade; failure of plant, equipment or processes to operate as anticipated; accidents, labour disputes, title disputes, claims and limitations on insurance coverage and other risks of the mining industry; changes in national and local government regulation of mining operations, tax rules and regulations.

Although Cornish Metals has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. Cornish Metals undertakes no obligation or responsibility to update forward-looking statements, except as required by law.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure

interest and relevance for the presenting company.

Meetings are small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com for information.

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and do not, guarantee the accuracy or completeness of this.
