Eloro Resources resource explained in detail by expert geologist Quinton Hennigh

Eloro Resources (TSX.V: ELO) – Expert geologist Quinton Hennigh explains in detail his interpretation of Eloro's resource at Iska Iska, and then follows that with a superb and easy to follow guide on how to estimate a resource volume from given parameters.

This is a wonderful explanation of the potential of the resource, using the very latest 3D computer technology.

Quinton then explains in layman's terms how an investor can calculate a resource with given parameters.

This is well worth listening to, a real education, by an expert in his field.

The video can be accessed **HERE**, the Eloro presentations starts at 40 minutes and 50 seconds.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and do not, guarantee the accuracy or completeness of this.

These articles are for awareness and informational purposes only, and are not recommendations in any form. Always consult an investment professional.

Disclosure,

The author holds shares in ***Eloro Resources***, bought in the market at the prevailing price on the days of purchase.
