TORONTO, October 22, 2026 – G3 Goldfields Inc. (“G3” or the “Company”) is pleased to announce that it has received confirmation from the Canadian Securities Exchange (the “CSE”) that the conditions for listing have been satisfied and the G3 shares will commence trading on the CSE on Monday October 26, 2026 under the ticker symbol “**GTRE**”.

Daniel Noone, CEO of G3 Goldfields said,

“The commencement of trading on the CSE marks an important milestone for G3 and the beginning of an exciting new chapter

for our shareholders.

“Following the successful transaction between G2 Goldfields and G Mining Ventures earlier this year, G3 is well positioned to build upon our team’s proven track record of exploration success and value creation in Guyana.

“With a strong balance sheet, an extensive portfolio of prospective gold properties and preparations underway for our upcoming exploration programs, we look forward to unlocking the potential of our assets and delivering long-term value for our shareholders.”

A copy of the listing statement that the Company filed with the CSE (the “**Listing Statement**”) is available for review under the Company’s profile on SEDAR+ at www.sedarplus.ca.

The Company also announces that it has filed an independent technical report (the “**Technical Report**”) in respect of the Puruni Project. The Technical Report is available for review under the Company’s profile on SEDAR+ at www.sedarplus.ca and on the Company’s website at www.g3goldfields.com.

About G3 Goldfields Inc.

G3 Goldfields is a mineral exploration company focused on finding and developing gold projects in Guyana, South America. Formed through a spin-out of G2 Goldfields Inc. in July 2026, G3 holds multiple drill-ready targets in the prolific Oko-Aremu gold belt and the active Puruni gold district, representing one of the most compelling early-stage exploration opportunities with exceptional discovery potential in the Guiana Shield.

The founders and principals of the Company have been directly responsible for the discovery of more than 11 million ounces of gold in Guyana and are laser focused on making the next major gold discovery in Guyana.

All scientific and technical information in this news release has been reviewed and approved by Dan Noone (CEO of G3 Goldfields Inc.), a “qualified person” within the meaning of National Instrument 43-101. Mr. Noone (B.Sc. Geology, MBA) is a Fellow of the Australian Institute of Geoscientists.
