Gold Road Resources (ASX: GOR)

Acceptances for Gold Road's friendly takeover of DGO have soared since the initial reluctance to accept the original deal, since improved slightly.

GOR now hold around 73%, so close to the 80% target by June 30th, and then the deal is done.

This deal looks very likely to close now in my opinion, unless a bid emerges from an unexpected quarter of course, but it looks a formality at this point.
