Goldshore Announces Ausenco Selected as Lead Engineering Firm to Conduct the Preliminary Economic Assessment at the Moss Gold Project

Goldshore's VP Exploration, Pete Flindell stated:

"We are pleased to be working with Ausenco on the Moss Gold Project's PEA following our successful collaboration on the recent metallurgical test program.

"We feel that Ausenco understands our philosophy of integrated mine and process optimization to define the most efficient and cost-effective project.

"Ausenco also shares our vision for a project the Company can realistically build, while preserving process optionality, tremendous upside and future mine life growth."

More information will be made available as the Moss Gold Project PEA is conducted.
