

Happy Easter

Happy Easter

We wish all our readers a peaceful and safe Easter.

This is probably the saddest and most challenging time of our lives.

It's a perfect time to reflect on the sacrifices being made on our behalf by the people putting their lives on the line for our benefit, in particular our brave NHS staff, but not forgetting shop workers, transport staff, and the people processing the food we buy.

Stay safe and well, wear a face mask, and keep washing your hands.

Happy Easter

We wish all our readers a peaceful and safe Easter.

This is probably the saddest and most challenging time of our lives. People are losing loved ones to an invisible microorganism from a distant land.

It's a perfect time to reflect on the sacrifices being made on our behalf by the people putting their lives on the line for our benefit, in particular our brave NHS staff, but not forgetting shop workers, transport staff, and the people processing the food we buy.

Stay safe and well, wear a face mask, and keep washing your hands.
