Happy Easter from City Investors Circle

City Investors Circle – London

We wish all our readers a happy and peaceful Easter.

The break gives us time to pause and take a breather after a hectic start to the New Year.

My personal concerns are about the stability of our major banks and pension funds, especially after they wobbled during the chaotic period following Liz Truss' election late last year.

Let's hope some stability returns to our lives in the near future.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main

presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
