Initiating coverage – Skeena Resources

Skeena Resources [TSX.V: SKE} – Initiating coverage

CIC is initiating coverage of the Skeena Resources story based around the famous Eskay Creek area in the “Golden triangle” of British Columbia, Canada.

Previous mines closed due to low metal prices and high costs due to a lack of infrastructure, problems that no longer exist.

Skeena Resources [TSX.V: SKE} – Initiating coverage

CIC is initiating coverage of the Skeena Resources story based around the famous Eskay Creek area in the “Golden triangle” of British Columbia, Canada.

Prevoious mines closed due to low metal prices and high costs due to a lack of infrastructure, problems that no longer exist.
