Gold in drill core from Karora Resources' Beta Hunt mine, Western Australia

Karora Resources Renews Normal Course Issuer Bid

TORONTO, July 15, 2022 /CNW/ – **Karora Resources Inc. (TSX: KRR)** (OTCQX: KRRGF) (“Karora” or the “Corporation”) is pleased to announce it has received approval from the Toronto Stock Exchange (the “TSX”) to renew its normal course issuer bid (the “Bid”) to purchase up to no more than 8,492,971 of its issued and outstanding common shares (the “Common Shares”).

Purchases under the Bid may commence on July 20, 2022. The Bid will expire no later than July 19, 2023.

Purchases of common shares will be made through the facilities of the TSX in accordance with its rules. Purchases may also be made through alternative Canadian trading systems.

On the date notice was provided to the TSX, the average daily trading volume of the Common Shares for the previous six months (“ADTV”) was 984,605 Common Shares. Subject to the TSX’s block purchase exception, on any trading day, purchases under the Bid will not exceed 246,151 Common Shares (25% of the ADTV).

The price that the Corporation will pay for any Common Shares purchased under the Bid will be the prevailing market price at the time of purchase. Any Common Shares purchased by the Corporation will be cancelled.

The Corporation has repurchased 63,000 Common Shares at an average price of \$3.19 per Common Share on the TSX during the past twelve months under its prior normal course issuer bid (the “Prior Bid”). Under the Prior Bid, a total of 7,335,151

Common Shares were available for repurchase.

As of July 11, 2022, there were 169,859,423 Common Shares issued and outstanding. The 8,492,971 Common Shares that may be repurchased under the Bid represents 5% of the Common Shares issued and outstanding. Any purchases made under the Bid would, among other factors, reflect the Corporation's belief that its common shares trade at a significant discount to their underlying value. The Board of Directors has determined that the Bid is an effective use of the Corporation's financial resources when its Common Shares trade at a significant discount to their underlying value.

To the knowledge of the Corporation, no director, senior officer or other insider of the Corporation currently intends to sell any common shares under the Bid.

However, sales by such persons through the facilities of the TSX may occur if the personal circumstances of any such person change or any such person makes a decision unrelated to these purchases under the Bid.

If during the course of the Bid the Corporation becomes aware that such persons intend to sell their Common Shares then the Corporation will not intentionally acquire such Common Shares pursuant to the Bid.

The benefits to any such person whose shares are purchased would be the same as the benefits available to all other holders whose shares are purchased.

Cormark Securities Ltd. and Haywood Securities Inc. has been engaged to undertake purchases under the Bid.
