City Investors Circle Market Review for 31st December Published.

City Investors Circle have published their Market Review for December 2023.

The Review includes a rebalancing of the four watchlist tiers to better reflect the current stage of the companies held within them.

Due to poor performance during 2023 **Argosy Minerals, Minera Alamos**, and **Neometals** have been moved to the second tier watchlist.

Moving into the top tier include **Calibre Mining, Capircorn Metals**, and **Galiano Gold** is reinstated after overcoming previous production problems.

We continue to monitor company performance and will adjust the watchlist portfolios accordingly if required.
