An exciting year for mining investors is reviewed, highlighting the positive average gains made on all the site's four company watchlists, and the best performing mining companies.

The highlighted company is **Fuerte Metals (TSX.V: FMT)**

An exciting year for mining investors is reviewed, highlighting the positive average gains made on all the site's four company watchlists, and the best performing mining companies during the past year.

The commodity that gained the most value during 2025 is a surprise, read the newsletter to find out the commodity concerned.

Other companies mentioned include **Orla Mining** and **Westgold**.

The main topic is the nominal all-time high price of gold, silver, and platinum.

After a brief wobble of the gold and silver prices they have bounced back and producing miners remain around recent highs.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city

professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
