City Investors Circle

City investors Circle Market review – January 2023 has

been published.

It features the three hot metals so far in 2023, plus comments on **American Creek Resources, Karora Resources**, and **Orla Mining**.

We also review all the nine companies in our top tier watchlist for 2023, and comment on their prospects moving forward.

We review the metal price movements for the first month of the New Year, and the three hot metals of the moment, as thermal coal and lithium, last year's highest gainers, are in retreat.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies

listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
