City Investors Circle – Market Review July 2021

This month's Review focuses on the positive price moves in

gold and base metals, plus stocks that have moved amongst those on our watchlist.

Gold hung onto \$1,800 by it's fingertips, but the other precious metals fell.

Base metals has a much more positive month, with **Tin** still ahead of the pack as the biggest riser year to date, but **cobalt** is closing the gap. **Nickel** is enjoying a boost as a result of reduced Indonesian exports due to their high Covid cases, almost the highest in the world currently.

Companies featured include **Colonial Coal**, the highest watchlist riser of the month at 39%, closely followed by **Neometals**, 36%, and **Orla Mining**, 10%

Companies that have released significant news during the month include;

Neometals, Newcore Gold, Orla Mining, Los Cerros, Cornish Metals, Zen Graphene Solutions, and Fosterville South.

=====

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
