

Minera IRL and COFIDE to resume talks after COVID lockdown eased

[Minera IRL {CSE: MIRL}](#)

Have indicated that they will resume talks with COFIDE in Peru once the covid-19 lockdown has eased, in an effort to resolve the funding issues regarding their Ollachea Gold Project.

The project is shovel ready with permits in place, the final piece of the jigsaw is the resolution of the \$140 million capex funding issue.
