## Management Comment

### Minerals 260 Managing Director, Luke McFadyen, said:

*"Our infill and extensional drilling is consistently delivering strong results, with the latest thick and shallow higher-grade intercepts providing further support for a MRE upgrade in December.*

*"Our development studies are advancing rapidly, and the recent completion of geotechnical and metallurgical drilling for the PFS and the commencement of metallurgical test work represents a significant value-adding and de-risking event for the Project"*
