## City Investors Circle Mining Review 13th August 2023

Not much of a week for investors in the junior mining sector, gold and silver fell on US rate rise anticipation, and there was little news of substance from companies on our watchlist.

It has to be remembered that teams are in the field drilling during the Canadian summer, so news will start to arrive from

september onwards.

## News from companies on our watchlist.

**Cartier Resources**, **Karora Resources**, and **Marathon Gold** put out positive drilling and development news.

Otherwise it was a fairly quiet week, as you can see from the list below.

**The Diggers and Dealers Conference** took place in Kalgoorlie, so ASX listed companies would likely have had their news out before the show, possibly contributing to the dearth of news this past week.

What little news there was can be viewed by clicking the links below.
