City Investors Circle Mining Review 15th November 2026

Equinox Gold and G Mining Ventures both reported strong financial and production results.

Barton Gold and Corazon released good updates.

+++++++

Gold, precious metals, and most base metals suffered a horrible week of price falls.

Silver's fall of 20% was spectacular, and one wonders whatever happened to the "shortage" mooted by the mining media a few short months ago?

The price of **lithium** continues to fall (down 14.7% in the last month), and it's now a regular occurance for a new non-lithium battery to be announced in the press, knocking sentiment further.

City Investors Circle is based in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and

engaged, with a lively Q and A to follow the main presentation.

We create awareness and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and do not, guarantee the accuracy or completeness of this.
