Mining Review 18th May 2025

Orla Mining's Q1 loss disappointed the market and the shares were marked down harshly as a result.

West Red Lake Gold Mining is ramping up to production and the share price is stirring at last.

Westgold and **G Mining Ventures** both released decent results, bit share prices fell due to the falling price of gold.

—-

Gold had a poor week as a risk on attitude returned to the markets, but did hold onto the $3,200 level just, but may well fall below next week.

US economic data looked better, but inflation fears remain and Trump is focused on reducing interest rates, which will be bullish for gold.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and do not, guarantee the accuracy or completeness of this.

These articles are for awareness and informational purposes only, and are not recommendations in any form. Always consult an investment professional.
