## City Investors Circle Mining Review 2nd November 2025

It was a good week for company news, but gold company share prices are all over the place responding to fluctuations in the gold price

Investors have to hold their nerve at times like these,

providing they are invested in solid companies with good management shares will move through the volatility at some point.

Jumping in and out of the market can result in missing the main rises.

## **City Investors Circle is based in the City of London**

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email [andrew@city-investors-circle.com](mailto:andrew@city-investors-circle.com)
