Equinox Gold delivered a solid quarter's results, prior to the commencement of gold production at their Valentine Mine later this year.

Catalyst Metals announced a new gold discovery outside the existing resource envelope.

Small cap explorer **Pacgold** signed an agreement to acquire the St. George antimony / Gold project in a surprise announcement. I would prefer they focused on the present project rather than diversify and have to try and run two projects simultaneously, which divides precious funds and will require more fundraising.

A list of all the significant news releases from our watchlist companies last week is below, please click on the link to be taken to the full story.

=====

City Investors Circle is based in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=====

This website is not sponsored, we are truly independent, and will

always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and do not, guarantee the accuracy or completeness of this.
