City Investors Circle Mining Review 25th January 2026

City Investors Circle Mining Review 25th January 2026

Orla Mining and **Westgold** reported record revenues and strong production for the last quarter, assisted by the higher gold price.

Lefroy Exploration jumped on the commencement of mining at their Lucky Strike mine near Kalgoorlie in Western Australia. This is a toll treatment deal to produce early cashflow for the mine whilst funding further exploration.

G Mining Ventures published their outlook for 2026 – 2027, causing the shares to jump as the market absorbed the news.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review

newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.
