City Investors Circle Mining Review 29th December 2024

Neometals made the news this week decalring their intention to delist from the London AIM Market, basically due to the lack of liquidity in the stock in London and difficulty in finding

financing partners.

THis move makes sense in my opinion, there’s no point in paying the expensive AIM listing fees if you’re unable to raise capital nor generate investor interest in your company.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness,and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
