Mining Review 2nd August 2026

The big news this week was the completion of two significant transactions.

The business combination of **Equinox Gold** and **Orla Mining**, and

the acquisition of **G2 Goldfields** by **G Mining Ventures**.

Silver Storm Mining announced the shipment of first ore from their recently reopened La Parilla mine in Mexico.

Gold and silver were realtively flat, gyrating around news releases of the American war on Iran. investors have to hold their nerve as share prices go up and down like a rollercoaster.

It has to be remembered that we are in the summer doldrums, which is usually weak for the price of gold, and stocks in general.

City Investors Circle is based in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining

investors, please emailandrew@city-investors-circle.com
