City Investors Circle Mining Review 8th November 2025

Equinox Gold reported record production and revenue in Q3, benefitting from the high gold price and recent production start-up at the Valentine gold mine.

New Murchison Gold confirmed their start-up at Crown Prince had been strong. **Omai** and **Wesdome** both reported good exploration results.

—-

It was a bit of a nervy week, with the gold price oscillating around the key $4,000 level, and finished even for the week. Silver fell back 1.5% as it fell out of favour after the recent run.

City Investors Circle is based in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.

All information used in the preparation of this communication has been compiled from publicly available sources that we believe to be accurate and reliable, however, we cannot, and
