Mining Review 8th November 2026

New Murchison Gold and Talisker Resources reported high-grade gold discoveries.

The price of gold recovered slightly after the US mid-terms dealt a body blow to President Trump.

Mining Review 8th November 2026

New Murchison Gold and **Talisker Resources** reported high-grade gold discoveries.

The price of gold recovered slightly after the US mid-terms

dealt a body blow to President Trump and finished above the crucial $4,000 mark.

Attention now turns to Trump’s war on Iran, and the potential for another oil price spike as the US and Israel look set to resume bombing Iran in the very near future. If this does transpire, then the cost of mining rises as the price of oil effects the AISC significantly. This would be very negative to producing miners.

City Investors Circle is based in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non-deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com

=======

This website is not sponsored, we are truly independent, and will always remain so.

Companies featured here have either presented to the Circle in London, or have been selected because they are considered to have interesting projects, in good jurisdictions, run by an experienced management team.
