Mining Review Sunday Update 12th Sep. 2021

What a week it's been for two of our companies, and the commodities they are associated with.

Colonial Coal (CAD.V) rose 52.9% in a single day on the largest volume possibly ever, and Uranium Energy Corp. (NYSE: UEC) rose 50% over the last few weeks.

Coking coal and uranium are simply roofing it due to a combination of factors.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
