Gold was rising nicely until the FOMC meeting, but then reversed and lost value as the FED's hawkish stance reversed earlier gains, see [HERE](#).

Gold often bottoms just before rate hikes kick in, and then rises afterwards, so we should remain vigilant for opportunities.

Lithium is the clear winner amongst the risers in the metal sector, followed by coking coal and palladium.

News from stocks on out watchlist this week.

City Investors Circle is based in the financial district in the City of London

We present interesting and exciting junior mining companies listed on the ASX and TSX stock exchanges to a group of city professionals, and private investors, all of whom are active investors with a mandate to invest in junior mining companies.

Our audience is selected and invited individually to ensure interest and relevance for the presenting company.

Meetings are non deal, small group, highly focused and engaged, with a lively Q and A to follow the main presentation.

We create awareness, and maintain interest in presenting companies by disseminating their future news to our entire investor group via email, social media, and our Monthly Review newsletter.

If you wish to present to our select group of active mining investors, please email andrew@city-investors-circle.com
