Mining Review – Sunday Update 30th May

A brief note today as the monthly update is out tomorrow, carrying full details of the month's news.

Another positive week for metals and miners, and the US\$ Index sits at a critical support level, will 90 break? If it does this would be very positive for gold.

Mining Review – Sunday Update 30th May

A brief note today as the monthly update is out tomorrow, carrying full details of the month's news.

Another positive week for metals and miners, and the **US\$ Index** sits at a critical support level, will 90 break? If it does, it's obviously very bullish for gold and other metals.

Inflation is also a major concern now, and normally good for gold.

Mining Review – Stocks on our watchlist in the news

Nouveau Monde Graphite – Commenced trading on the NYSE.

Los Cerros – First drill hole at Ceibal in Colombia intercepts porphyry.

Fosterville South – Extended the Walhalla Gold Belt

Wesdome – Extended the high grade footwall zone at Kiena

UEC – Increased their warehouse holdings of physical uranium

Lithium Power Intl. – Divested their Argentinian assets.
