

# Neometals appoint an experienced mining executive as General Manager.

Neometals {ASX: NMT}

Announced the appointment of experienced mining executive Matthew Read as General Manager – Lithium Projects to drive the Company's feasibility and engineering studies in its core lithium related projects.

# Neometals

## *Comment*

*I wonder if this means MD Chris Reed is going to focus on the Barrambie titanium / vanadium project?*

Neometals {ASX: NMT}

Announced the appointment of experienced mining executive Matthew Read as General Manager – Lithium Projects to drive the Company’s feasibility and engineering studies in its core lithium related projects.

Mr Read has more than 20 years’ resources industry experience, having held a variety of project and commercial roles at companies including Tianqi Lithium Australia, BHP and Roy Hill. Most recently, Mr Read spent two years as Head of Projects for Tianqi, overseeing the development of its lithium hydroxide facility in Kwinana, Western Australia. Mr Read has bachelor qualifications in Science and Engineering and has also completed a Master of Business Administration degree.

**N.B**

Mathew Read is no relation to MD Chris Reed.
